Goal Being Monitored

Given a grade-level connected text passage, Caleb will read at least 95 words correct per minute (WCPM) across three consecutive probes.

Goal ID:	GOAL_ORF_FLUENCY
Area:	reading fluency
Annual Target:	95 WCPM
Goal Start Date:	2023-10-24
Goal Target Date:	2024-10-23

Current Progress

Measure	Current Result	Annual Target
Oral reading fluency	91 WCPM	95 WCPM

On 2024-10-15, Caleb read grade-level connected text at 91 WCPM. This result shows meaningful progress toward the annual target of 95 WCPM. The annual target has not yet been met. This report records current progress toward the existing goal and does not revise present levels or rewrite the IEP.

Instructional Notes

Caleb Nguyen continues to receive specialized reading instruction under the current IEP. Oral reading rate has improved relative to earlier instructional performance. Additional practice with connected text remains appropriate during the remainder of the goal period.

Next Review

Progress will continue to be monitored using curriculum-based oral reading fluency probes. No change to eligibility, services, or accommodations is made in this report.
