

Reevaluation Plan

SYNTHETIC DEVELOPMENT RECORD — NOT A REAL STUDENT

Reevaluation Planning Form

Planning Date: 2026-09-08
Prepared By: District
Document Type: Reevaluation plan

Student Information

Student: Caleb Nguyen
Date of Birth: 2016-03-09
Grade: 5
School: Synthetic Elementary School
District: Synthetic District

Reason Reevaluation Is Being Considered

Caleb currently receives special education services under an IEP. A reevaluation is being planned to review current educational needs related to reading fluency and other reading performance. This plan identifies proposed areas of assessment. It does not report completed evaluation results.

Caleb Nguyen has an existing eligibility determination in reading. The team will review existing data and obtain current information needed to determine whether the student continues to have an educational need for specially designed instruction.

Existing Information Available to the Team

- ☒ Current IEP and progress information
- ☒ Prior eligibility determination
- ☒ Teacher information regarding classroom reading performance
- ☐ Completed reevaluation scores

Proposed Areas for Evaluation

- ☒ Current reading achievement
- ☒ Reading comprehension
- ☒ Oral reading fluency
- ☒ Cognitive / processing context
- ☒ Speech-language review
- ☒ Review of existing data

Information to Be Gathered

- ☒ Review of existing educational records
- ☒ Teacher input
- ☒ Parent input
- ☒ Current academic assessment of reading
- ☒ Psychoeducational information as needed for reevaluation

Next Step

This document is a plan for reevaluation. No new evaluation results are reported here. Assessments listed above will be completed before the reevaluation eligibility meeting.
