

Academic Reevaluation Report

SYNTHETIC DEVELOPMENT RECORD — NOT A REAL STUDENT

Student Information

Student:	Caleb Nguyen
Date of Birth:	2016-03-09
Grade:	5
School:	Synthetic Elementary School
District:	Synthetic District

Reason for Evaluation

This academic reevaluation was completed on 2026-09-29 to update Caleb's reading achievement as part of the reevaluation process. The evaluation examines oral reading fluency, reading accuracy, and reading comprehension.

Assessment Information

Evaluation Date:	2026-09-29
Evaluator:	Academic evaluator
Focus:	Reading achievement, fluency, accuracy, and comprehension

Results below are limited to information collected on the academic reevaluation date. Recommendations in this report are evaluation recommendations and are not IEP decisions.

Reading Performance

Measure	Result
Oral Reading Fluency	104 WCPM
Reading accuracy	97%
Reading comprehension	standard score of 78

Interpretation

Caleb read grade-level connected text at 104 WCPM, with reading accuracy of 97%. Oral reading rate and accuracy are stronger than earlier instructional records. The reading comprehension standard score of 78 is below age-based expectations and is not a percentage score.

Caleb Nguyen reads connected text with improved rate and accuracy but continues to have difficulty constructing meaning from grade-level passages. Comprehension of grade-level text remains an area of educational concern.

Educational Need

Academic reevaluation documents oral reading fluency of 104 WCPM on grade-level passages, with reading accuracy of 97 percent. These oral reading results are stronger than earlier instructional records. Reading comprehension, measured with a standardized achievement subtest, yielded a standard score of 78, which is below age-based expectations. Caleb reads connected text with improved rate and accuracy but continues to have difficulty constructing meaning from grade-level passages.

Recommendations

Instructional planning should emphasize reading comprehension of connected grade-level text. These results are evaluation findings and are not an IEP service or goal decision.

- explicit instruction in constructing meaning from connected text
- guided practice with literal and inferential questions
- continued progress monitoring of reading comprehension

These recommendations are not mandated services or adopted annual goals.
