Amendment Information

Document Date:	2026-03-18
Document Type:	IEP amendment summary
Status:	Proposed amendment

This abbreviated summary records a proposed IEP amendment for Sofia Martinez. It is not the final amended IEP. It does not independently restate the full IEP content. Those components remain in the operative IEP documents.

Proposed Service Change

The IEP currently in effect provides specialized reading instruction five sessions per week for 45 minutes per session to address the documented reading need.

Proposed specialized reading: 3x/week for 45 minutes.

Session duration remains 45 minutes. This document records a proposed service frequency of 3x/week. It does not by itself establish a service start date and is not the final operative service statement.

Recorded Discussion

The IEP team meeting notes record the following discussion, which this summary references without adding further explanation: The team discussed increasing Sofia's time in general education instruction while continuing direct specialized reading instruction.

What This Summary Does Not Do

- This summary does not replace the IEP.
- This summary does not change eligibility or accommodations.
- This summary does not report a new oral reading fluency administration.
- This summary does not set the date on which the proposed service begins.

Next Document

A final amended IEP is required to state the operative specialized reading service, including frequency, session length, location, and the projected date for the beginning of the amended service.
