

Individualized Education Program (IEP)

SYNTHETIC DEVELOPMENT RECORD — NOT A REAL STUDENT

1. Student / IEP Information

Student:	Sofia Martinez
Date of Birth:	2016-05-14
Grade:	4
School:	Synthetic Elementary School
District:	Synthetic District
IEP Date:	2026-03-25
Document Type:	Final amended IEP
IEP Period:	2025-09-15 through 2027-03-24

This amended IEP is written in Grade 4. The IEP date is 2026-03-25. The IEP period continues through the goal target date of 2027-03-24, spanning Grade 4 into Grade 5. The IEP date is not the service start date.

2. Eligibility

Eligibility Category:	Specific Learning Disability (SLD) - Reading
Primary Educational Need:	Reading
Determination Date:	2025-09-15

This IEP implements the educational eligibility determination. It is not a medical diagnosis. The eligibility category remains Specific Learning Disability (SLD) - Reading.

3. Present Levels of Academic Achievement and Functional Performance

Sofia continues to have a persistent reading concern. Classroom performance indicates difficulty reading connected grade-level text with expected fluency and accuracy.

The January 23 progress report recorded 88 WCPM. That curriculum-based oral reading fluency result is present-level evidence from the January 23, 2026 progress report. This IEP does not report a new oral reading fluency administration on 2026-03-25.

4. Educational Need

The primary educational need is Reading. Sofia has difficulty reading connected grade-level text with expected fluency and accuracy. This difficulty affects Sofia's ability to access grade-level reading activities independently.

5. Annual Goal

Given a grade-level connected text passage, Sofia will read the passage aloud with at least 95% word-reading accuracy across three consecutive curriculum-based probes.

Goal ID:	GOAL_READING
Mastery Criterion:	across three consecutive probes
Start Date:	2025-09-15
Target Date:	2027-03-24

Progress will be measured using curriculum-based oral reading fluency and word-reading accuracy probes.

6. Special Education Services

Service	Frequency	Session Length	Location	Start Date
Specialized reading instruction	three sessions each week	45 minutes per session	special education setting	2026-04-01

IEP Date (document date): 2026-03-25

Service Start Date: 2026-04-01

Specialized reading instruction will be provided three sessions each week for 45 minutes per session beginning April 1, 2026.

The projected date for the beginning of the amended specialized reading service is 2026-04-01 (April 1, 2026). Anticipated frequency is three sessions each week. Session duration is 45 minutes per session. Location is the special education setting.

7. Extent of Nonparticipation

Sofia will not participate with nondisabled children in the general education classroom during specialized reading instruction. Sofia participates with nondisabled peers for the remainder of the school day.

8. Accommodations / Assessment Participation

- Extended time (1.5x) on classroom and district assessments.
- Text-to-speech is available for grade-level instructional text.

Sofia will participate in state and districtwide assessments with the accommodations listed in this IEP, including Extended time (1.5x) and Text-to-speech is available for grade-level instructional text.

9. Progress Reporting

Progress toward the annual goal will be measured using oral-reading probes and reported at least annually, concurrent with report periods.

10. Team / Parent Participation

The following roles participate in development of this IEP. No personal names, telephone numbers, or addresses are recorded in this synthetic record.

Parent/Guardian: [Synthetic signature omitted]

General Education Teacher: [Synthetic signature omitted]

Special Education Teacher: [Synthetic signature omitted]

District Representative: [Synthetic signature omitted]
