

Reevaluation Plan

SYNTHETIC DEVELOPMENT RECORD — NOT A REAL STUDENT

Reevaluation Planning Form

Planning Date: 2026-02-03
Prepared By: District
Document Type: Reevaluation plan

Student Information

Student: Jordan Lee
Date of Birth: 2015-10-21
Grade: 5
School: Synthetic Elementary School
District: Synthetic District

Reason Reevaluation Is Being Considered

Jordan currently receives special education services under an IEP. A reevaluation is being planned to review current educational needs related to following spoken directions. The primary reevaluation question for Jordan Lee is difficulty following lengthy spoken directions across different settings. This plan identifies proposed areas of assessment. It does not report completed evaluation results.

Existing Information Available to the Team

- ☒ Current IEP and progress information
- ☒ Teacher information regarding classroom direction-following
- ☒ Parent information regarding homework directions
- ☐ Completed reevaluation scores

Proposed Areas for Evaluation

- ☒ Psychoeducational reevaluation
- ☒ Speech-language review
- ☒ Review of existing educational records
- ☐ Functional behavior assessment

Next Step

This document is a plan for reevaluation. No new evaluation results are reported here. Assessments listed above will be completed before the reevaluation eligibility meeting.
