

Individualized Education Program (IEP)

SYNTHETIC DEVELOPMENT RECORD — NOT A REAL STUDENT

1. Student / IEP Information

Student:	Jordan Lee
Date of Birth:	2015-10-21
Grade:	5
School:	Synthetic Elementary School
District:	Synthetic District
IEP Date:	2026-04-02
IEP Period:	2026-04-02 through 2027-04-01

This reevaluation IEP for Jordan Lee implements the current eligibility determination. It is not a medical diagnosis.

2. Eligibility

Eligibility Category:	Specific Learning Disability (SLD) - Listening Comprehension
Primary Educational Need:	Following lengthy spoken directions
Determination Date:	2026-03-25

The eligibility category remains Specific Learning Disability (SLD) - Listening Comprehension. The team did not identify ADHD, a working-memory disorder, or a language impairment in this IEP.

3. Present Levels of Academic Achievement and Functional Performance

Jordan continues to have a documented following spoken directions need. Recent evaluations describe stronger performance with one-step or written-visible directions and greater difficulty with lengthy spoken directions, especially during noisy whole-group instruction. Quiet one-to-one two-step accuracy is not treated here as across-setting mastery.

4. Special Education Services

Service	Frequency	Session Length	Location	Start Date
Specialized instruction	3 sessions per week	30 minutes per session	special education setting	2025-04-08

Specialized instruction: 3 sessions per week, 30 minutes per session.

This IEP does not include direct speech-language services.

The speech-language review recommended no direct speech-language service. That evaluation recommendation is consistent with this IEP service configuration, but a recommendation and an IEP service list are not interchangeable evidence atoms.

5. Accommodations

- Extended time (1.5x) on classroom assignments when directions are oral.
- Break lengthy oral directions into shorter steps and provide written directions for multistep classroom tasks.

Break lengthy oral directions into shorter steps and provide written directions for multistep classroom tasks.

Extended time (1.5x) on classroom assignments when directions are oral.

This IEP carries forward shorter oral directions and written directions for multistep classroom tasks. It does not state that every evaluation recommendation was adopted. Checking understanding before independent work, as recommended in the psychoeducational report, is not listed as an IEP accommodation in this document.

6. Annual Goal

Given shortened oral directions with a written reference, Jordan will begin the requested classroom task without additional prompting on four of five opportunities.

Goal ID: GOAL_DIRECTIONS_REEVAL

Start Date: 2026-04-02

Target Date: 2027-04-01

7. Progress Reporting

Progress toward the annual goal will be reported at least annually, concurrent with report periods.

8. Least Restrictive Environment

Jordan will participate with nondisabled peers throughout the school day except during specialized instruction sessions provided in the special education setting.
