

Special Education Evaluation Plan

SYNTHETIC DEVELOPMENT RECORD — NOT A REAL STUDENT

Evaluation Planning Form

Planning Date: 2024-08-28
Prepared By: District
Document Type: Initial evaluation plan

Student Information

Student: Maya Carter
Date of Birth: 2017-04-18
Grade: 2
School: Synthetic Elementary School
District: Synthetic District

Reason Evaluation Is Being Considered

Maya was referred because of persistent difficulty reading connected grade-level text accurately and fluently.

This plan considers the classroom concern described in the initial referral and does not report evaluation results. The area of concern is reading fluency.

Existing Information Available to the Team

As of the planning date, the team has the following information:

- ☒ Teacher concern regarding reading connected grade-level text
- ☒ Classroom educational performance related to reading fluency
- ☒ Initial referral information
- ☐ Completed evaluation scores

Proposed Areas for Evaluation

- ☒ Academic achievement / reading
- ☒ Reading fluency
- ☒ Review of educational performance
- ☐ Other (specify):

Information to Be Gathered

- ☒ Review of existing educational records
- ☒ Teacher input
- ☒ Parent input
- ☒ Appropriate assessment of reading performance

Next Step

Parent consent is required before the initial evaluation proceeds. No evaluation will be conducted until written consent is obtained.
