SYNTHETIC DEVELOPMENT RECORD — NOT A REAL STUDENT

Student Information

Student:	Maya Carter
Date of Birth:	2017-04-18
Grade:	2
School:	Synthetic Elementary School
District:	Synthetic District

Reason for Evaluation

This academic evaluation was completed on 2024-10-18 to assess Maya's reading fluency following referral for difficulty reading connected grade-level text accurately and fluently.

Assessment Information

Evaluation Date:	2024-10-18
Evaluator:	Academic evaluator
Focus:	Reading achievement and oral reading fluency

Results below are limited to information collected on the academic evaluation date.

Reading Performance

Measure	Result
Oral Reading Fluency	42 WCPM
Oral Reading Accuracy	86%
Reading Comprehension	Below expected classroom level

Observations

Connected-text reading is slow and effortful. Frequent pauses were observed. Isolated word reading is stronger than connected-text reading.

Educational Need

The evaluation documents an educational need in reading fluency. Maya has difficulty reading connected grade-level text accurately and fluently, with reading comprehension during grade-level text tasks below expected classroom level.

Recommendations

- Provide explicit systematic reading instruction, repeated oral reading practice, and regular progress monitoring.
